### Title

Forming an Ad-Hoc Committee to Investigate Secession from Cook County - Resolution

### History

Per the direction of the Mayor, he expresses his interest in forming a special Committee to investigate secession from Cook County. Cook County mandates hinder economic development within Cook County and the Village of Orland Park. Cook County States Attorney polices fail to provide legal prosecution and protection for victims in Orland Park for several classes of crime. Orland Park is the third largest tax contributor in Cook County, yet receives proportionately fewer services in return. Citizens of Orland Park, as part of Orland Township, voted to sucede from Cook County.

Attached is a copy of the Resolution for your reference. A certified copy of this Resolution be filed, as soon as possible, with the Cook County Board of Commissioners.
