NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Orland Park, Cook and Will Counties, Illinois, as follows:

SECTION 1

The Plan Commission has made its report of findings and recommendations, and such are hereby adopted by reference as findings of this President and Board of Trustees as fully as if completely set forth at length herein. All exhibits submitted at the aforesaid public hearing are also incorporated by reference into this Ordinance. This President and Board of Trustees find that the proposed special use is in the public good and in the best interests of the Village and its residents, is consistent with the Comprehensive Plan of the Village, and is consistent with and fosters the purposes and spirit of the Land Development Code of the Village of Orland Park, as set forth in Section 1-102 thereof.

SECTION 2

In addition to the findings set forth in Section 1 hereof, this Board of Trustees further finds in relation to the special use permit as follows:

(a) The Subject Property is located within the Village of Orland Park in Cook County, Illinois, at 14401 Oakley Avenue and is zoned R-3 Residential District.

(b) Specifically, Petitioner, St. Coletta's of Illinois, proposes to establish and operate a medium residential care home for six (6) residents, in a single family detached residence of 2,400 square feet currently serving as a residential care home for five (5) residents on a 13,526 square foot site.

(c) The proposed special use is consistent with the character of the immediate vicinity of the Subject Property. The surrounding property on all sides is Oak Meadows subdivision, zoned R-3 Residential. A residential care home is an enumerated special use in the R-3 Residential District, and the special use to allow for the residential care home use for six (6) residents is consistent with these surrounding uses.

(d) The special use is consistent with the purposes, goals, objectives and standards of the Comprehensive Plan, any adopted overlay plan and the Land Development Code of the Village of Orland Park. The Comprehensive Plan designates this site as Single Family Residential. The residential care home for six (6) residents will be consistent with this designation. There will be adequate parking and landscaping.

(e) The design of the proposed special use will minimize any adverse effects, including visual impacts, on adjacent properties. The residential care home will blend in with the community character of the residential properties in the vicinity and will not pose any potential adverse impacts on adjacent properties.

(f) The Petitioner has demonstrated that public facilities and services, including but not limited to roadways, park facilities, police protection, hospital and medical services, drainage systems, refuse disposal, water and sewers, and schools, will be capable of serving the special use at an adequate level of service.

(g) The Petitioner has made adequate legal provisions to guarantee the provision and development of any open space and other improvements associated with the proposed development.

(h) The development will not adversely affect a known archaeological, historical or cultural resource.

(i) The special use as granted shall in all aspects conform to the applicable regulations of the Land Development Code of the Village of Orland Park as amended, for the district in which it is located as well as all applicable regulations and ordinances of the Village, unless specifically addressed in this or another Ordinance.
