Title

Lazy River Turbine Pump Repair

History

The Lazy River Turbine Pump #3 which provides flow to the Lazy River needs to be rebuilt. Three (3) quotes were received for the rebuilding of the pump: Thomas Pump of Aurora - \$6,188.00, General Pump of Montgomery - \$8,218.00, and Illinois Pump of Rolling Meadows - \$5,486.00. Staff will be notified should any additional repairs be brought to light once the unit is disassembled. The cost of rebuilding the pump is less expensive than a replacement pump and motor which could cost approximately \$18,000.

This agenda item is being considered by the Park and Recreation Committee and the Village Board of Trustees on the same night.

Financial Impact

Funds for the repair will come from FY16 account 283-4005-443150

Recommended Action/Motion

I move to approve building of the Lazy River Turbine Pump #3 by Illinois Pump, Inc. of Rolling Meadows at a cost not to exceed \$5,486.00.
