Title

Disposal of Village Owned Property (Tasers) - Recommended Ordinance

History

The police department has five X26 Tasers in inventory that have been removed from service previously for failing their respective safety checks. The Tasers are inoperable and not safe for use. Taser is offering a \$180.00 credit for each destroyed Taser .

As such, we request permission to destroy the five inoperable X26 tasers in preparation for Taser's trade up program for five X2 CEW's that will be purchased in 2016. The serial numbers for the destroyed tasers are as follows: X00-0391420, X00-470059, X00-395902, X00-238306 and X00-370631.

Recommended Action/Motion

I move to recommend to the Village Board to pass an Ordinance entitled: **ORDINANCE AUTHORIZING THE DISPOSAL OF UNUSABLE MUNICIPAL PROPERTY AS SCRAP (TASERS)**
