### Title

Emergency Water Main Repair - Silver Lake Country Club - Payment

### History

On Saturday morning, April 20, 2016, staff responded to a water main break on the Silver Lake Country Club golf course near the intersection of 88<sup>th</sup> Avenue and Fairway Drive. Due to the water main's large 20-inch diameter, its location and depth, a decision was made to engage Airy's, Inc. of Tinley Park, Illinois to assist with the emergency repairs. The total cost for this work is \$6,904.72. A contract is in place between the Village and Airy's, Inc. to perform this type of work on an emergency basis.

On May 2, 2016, this item was reviewed and approved by the Public Works Committee and referred to the Board for approval.

### Financial Impact

Sufficient funds are available in account 031-6002-443800 (Water System repair and Service) to cover the cost for this emergency repair.

### Recommended Action/Motion

I move to approve a not-to-exceed payment of \$6,904.72 to Airy's, Inc. of Tinley Park, Illinois, for work performed on April 20, 2016 for emergency repairs made to a 20-inch water main at the Silver Lake Country Club golf course.
