Title/Name/Summary

MaRous & Company - General Appraisal Services for Village Projects

History

The Village has received the attached proposal from Michael MaRous for appraisal services for properties located in Orland Park. The Village has utilized MaRous previously for various projects throughout the community. The scope is based on hours billed and direct costs.

On May 15, 2017, the Development Services, Planning and Engineering Committee moved 3-0-0 to recommend to the Village Board of Trustees to the attached proposal from MaRous & Company for appraisal services for properties located in Orland Park.

This case is now before the Village Board of Trustees for consideration.

Financial Impact

Funds for this professional service are included in the Development Services operating budget.

Recommended Action/Motion

I move to approve the attached proposal from MaRous & Company for appraisal services for properties located in Orland Park.
