### Title

Centennial Park Aquatic Center - Pool Shade Structure Quote

### History

Staff is looking to replace eight (8) Funbrella umbrellas at the pool with new shade structures. The old funbrellas have maintenance issues and the weight and design requires them to be closed in inclement weather. When closing the heavy funbrellas, we have experienced a few minor injuries to staff. Staff recommends replacement and purchase of shade structures that will not require closure. Staff also recommends the purchase of a shade structure to cover the relocated medical emergency area where pool staff provides assistance to patrons as needed. This area's shade structure will be visible from all areas of the pool clearly indicating where patrons should go in case of injury or illness.

Staff received a quote from Parkreation, Inc. of Prospect Heights, IL. This company is the sole representative for the Shade System Inc. company in our area that produces these shade structures. The Village has used this product throughout the years and staff recommends keeping the same units in the parks and pool areas for a consistent look and maintenance. The quote for the shade structures is as follows:

\*\*\*\*Eight (8) - SP12 Single post pyramid shade unit by Shade Systems, Inc., 12' x 12' x 8' high eave with steel frame and single color fabric, inground mount, turn-n-slide system on all four corners. COST: \$2,489.00 each (X 8 =) Total \$19,912.00

\*\*\*\*One (1) - HX24 24' Hexagonal shade unit by Shade Systems, Inc., inground mount, turn-n-slide system on all 6 corners. COST: \$6,980.00 each (X 1 =) Total \$6,980.00

Total product cost = \$26,892.00 less Quantity discount of -\$3,920.00  
Freight cost of \$2,800.00

TOTAL COST = \$25,772.00

On March 16, 2015, this item was reviewed by the Parks & Recreation Committee, recommended for approval and referred to the Village Board of Trustees for consideration.

### Financial Impact

The funds for this purchase will come from Pool account 283-4005-460180. The amount budgeted for this purchase is \$24,000.00. The remaining funds will come from the same account with an adjustment made to the amount budgeted for sling chair replacement to cover the shortfall.
