**History**  
Environmental Protection Industries has previously completed the asbestos inspection and testing of the Orland Plaza buildings. This is the same company that performed the asbestos inspection on the previous phase. The cost of this work is as follows:

Report preparation	<u>\$750.00</u>	
	<b>Total</b>	<b>\$7,690.00</b>

In order to expedite the demolition of the remaining buildings at the Main Street area, this item is being forwarded directly to the Village Board for consideration.

**Financial Impact**  
Funds for this project were budgeted in the Capital account 282-0000-470700, \$500,000.00.

**Recommended Action/Motion**  
I move to approve Environmental Protection Industries for asbestos inspection and testing at a cost not to exceed \$7,690.00.
