Title

2020 Brewfest Additional Date

History

The Recreation Department successfully hosted the Orland Park Brewfest on September 21, 2019 at Crescent Park under a large tent. The 2019 Brewfest had 356 attendees.

As of September 17, 2020, the Brewfest was sold-out with 212 attendees. Because of recent State-imposed restrictions, the Village had to reschedule the September 17, 2020 Brewfest. As part of the rescheduling, a second date should be added in order to accommodate public interest.

Financial Impact

The estimated cost to add a second date to the Brewfest is break-even assuming revenue from 400 attendees over two days.

Recommended Action/Motion

I move to approve a second date of tickets be made available to the general public for the 2020 Brewfest.
