The police department recognizes the importance of having officers trained and updated on the latest techniques and strategies in law enforcement in order to provide safe and effective police service to the community.

Tri-River training is one training avenue used to accomplish this goal for 101 Full-time Police Officers and 8 Part-time Police Officers.

On May 5, 2017, this item was reviewed and approved by the Public Safety Committee and referred to the Village Board for approval.
