### Title

Recreation Department Program Guide - 2019 Autumn Program List Approval

### History

The lists of recommended programs to be offered in the Recreation Department 2019 Autumn Program Guide are attached. Included are contractual costs (over \$20,000) that would need Board approval associated with the autumn sessions. These costs are covered by revenue generated through registration fees, and actual costs are dependent on the number of participants registered.

Staff is requesting approval of the recommended programs and payment to the contractual instructors at the time of invoicing.

### Financial Impact

Varies depending on actual registration

### Recommended Action/Motion

I move to approve the recommended programs and payment to the contractual instructors at the time of invoicing.
