Title  
2021 Winter/Spring Program List Approval

### History

The lists of recommended programs to be offered in the Recreation Departments 2021 Winter/Spring Program guide are attached. Included are contractual costs (over \$20,000) that require Board approval. These costs are covered by revenue generated through registration fees. Actual costs are dependent on the number of participants registered.

Staff is requesting approval of the recommended programs and payment to the contractual instructors at the time of invoicing.

### Financial Impact

Varies depending on actual registration.

### Recommended Action/Motion

I move to approve the recommended programs and payment to the contractual instructors at the time of invoicing.
