Title

Summer Program Lists Approval

History

The lists of recommended programs to be offered in the Recreation Department 2020 Summer Program guide are attached. Included in the lists are contractual costs (over \$20,000) that would need Board approval associated with the summer sessions. These costs are covered by revenue generated through registration fees, and actual costs are dependent on the number of participants registered.

Staff is requesting approval of the recommended programs and payment to the contractual instructors at the time of invoicing.

Financial Impact

Varies depending on actual registration.

Recommended Action/Motion

I move to approve the recommended 2020 Summer programs and payment to the contractual instructors at the time of invoicing.
