Title

Summer 2021 Program Lists Approval

History

The programs and events lists proposed by Recreation and Parks Department staff for the 2021 summer season are attached. These lists include contractual programs over \$20,000 that require Board approval. Contractual program expenses vary and are offset by revenues generated through participant enrollment.

Approved programs will be included in the Summer 2021 Recreation and Parks Program guide.

Staff is requesting approval of the recommended programs and payment to the contractual instructors at the time of invoicing.

Financial Impact

Expenses and revenues vary depending upon actual program registration, event participation, and sponsorship revenues.

Recommended Action/Motion

I move to approve the recommended 2021 Summer programs and payment to the contractual vendors as invoiced.
